**PETITION FOR EXTENSION OF TIME TO SEEK JUDICIAL REVIEW**

Sir:

A Decision on a Request for Rehearing by the Board of Patent Appeals and Interferences was issued on July 31, 2007 concerning the subject patent application.

A Notice of Abandonment concerning the subject patent application was issued on August 29, 2007.

A Request for Reconsideration and Withdrawal of the Holding of Abandonment/Alternative Petition for Revival of an unintentionally abandoned patent application (the Request) has been filed and a copy is attached. Credit Card information has been redacted to avoid duplicate charges.

A Decision on the Request is unlikely to occur prior to September 30, 2007, the expiration of time to seek Judicial Review of the Decision dated July 31, 2007. An adverse decision on the

Request would result in the termination of proceedings in the Patent Office, leaving judicial review as the only recourse, while a favorable decision would obviate the need to seek judicial review.

An extension of time to seek judicial review of the July 31, 2007 decision, to expire 1 month from the date of final decision on the Request, is therefore respectfully requested.

**REQUEST FOR  
RECONSIDERATION AND WITHDRAWAL OF HOLDING OF ABANDONMENT  
--NOTICE ISSUED BY OFFICE ERROR--  
OR, ALTERNATIVELY,  
PETITION FOR REVIVAL OF UNINTENTIONALLY  
ABANDONED PATENT APPLICATION**

1. A Notice of Abandonment dated August 29, 2007 (Attachment A hereto) has been received concerning the subject application.
2. The justification for the holding of abandonment is stated to be "The decision by the Board of Patent Appeals and Interference rendered on 21 December 2006 and because the period for seeking court review of the decision has expired and there are no allowed claims."
3. The justification stated is in error as the period for seeking court review of the decision has not expired.

4. A copy of a page from the PTO PAIR transaction history for the subject patent application is attached as Exhibit B.
5. In response to the December 21, 2006 decision, a Request for Reconsideration was filed on February 20, 2007, as indicated by PAIR.
6. The request for rehearing was timely filed under 37 CFR 41.52(a)(1), which states that "Appellant may file a single request for rehearing within two months of the date of the original decision of the Board" and February 20, 2007 is within two months of December 21, 2006.
7. As indicated by PAIR, a Decision on the Request for Reconsideration was rendered and mailed on July 31, 2007.
8. Under 37 CFR 1.304(a)(1) "The time for filing the notice of appeal to the U.S. Court of Appeals for the Federal Circuit (§ 1.303) is two months from the date of the decision of the Board of Patent Appeals and Interferences. If a request for rehearing or reconsideration of the decision is filed within the time period provided under § 41.52(a), § 41.79(a), or § 41.127(d) of this title, the time for filing an appeal or commencing a civil action shall expire two months after action on the request."
9. As the request for rehearing was filed within the time period provided under § 41.52(a), and action (decision) on the request was dated July 31, 2007, the time for commencing civil action does not expire until September 30, 2007.
10. As proceedings in the captioned application have not yet terminated, the captioned application remains pending as of the date of this request, and reconsideration and withdrawal of the holding of abandonment is requested.

**ALTERNATIVE REQUEST-- PETITION FOR REVIVAL UNDER 37 CFR 1.137(b)**

11. Paragraphs 1-10 are incorporated by reference.
12. Responsive Action, the filing of a divisional application, Application No.: 11/710,738 on February 24, 2007 has already been taken.
13. A credit card authorization for the petition fee required under 37 CFR 1.17(m) is attached. Applicant claims small entity status.
14. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 1.137(b) was unintentional.
15. Terminal disclaimer is not required pursuant to 37 CFR 1.137(d)(3).
16. In the event of unfavorable consideration of the request to withdraw the holding of abandonment, favorable consideration and granting of this petition is requested.
